Welcome to our 22nd season! We are excited to be presenting another summer of live music for your listening pleasure! We appreciate the talented groups that will grace our stage this summer as they fine-tune their set lists to avoid songs licensed by BMI. (We have decided not to renew our BMI license this year as a matter of principle; musicians will be playing original and public domain songs as well as those from the extensive ASCAP catalog.)

All Shows from 7:00 p.m. - 9:00 p.m.

Concessions sold
